

QSTEM::IExperiment

```
classDiagram
    QSTEM::CExperimentBase --|> QSTEM::IExperiment
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray-shaded box labeled 'QSTEM::CExperimentBase'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'QSTEM::IExperiment'. This indicates that 'QSTEM::CExperimentBase' inherits from or implements 'QSTEM::IExperiment'.
